
ASSEMBLYMEMBER MARTY BLOCK
is hosting a
**COMMUNITY
TOWN HALL**

to hear your thoughts on Governor Brown's
proposed state budget.

- *What do you think of the new Governor's ideas to close the \$25 billion deficit? Would you make the same cuts?*
- *Are a mix of spending cuts and revenue increases the best way to solve the problem?*
- *How does delaying tax cuts, making reductions in state services, and the proposal to realign county and state program responsibility affect your life?*
- *Do you like that Governor Brown is giving voters the choice to vote for increasing revenues?*
- *What does it mean when \$1.4 billion is cut from higher education?*

Come share your views and ideas with
Assemblymember Block and your neighbors
from the 78th Assembly District.
