

Dear Patriot Family & Friends,

Many parents in the Henry community have asked, "What is the Henry Foundation and where does the money go?" There are two principal purposes of the Foundation: "to raise funds for the benefit of students by improving academic, athletic and other related areas and to provide volunteers to support school activities."

In previous school years the Foundation provided: funding for grants to teachers, sports organizations, campus security, school events and enrichment programs.

The Foundation Membership Drive is our biggest fund raising event. Please show support for your student and the Henry community by joining the Foundation for the 2008-2009 school year.
